South West Biomedical Technology Showcase

23 June 2011
The Exchange, Bridgwater

The Biomedical iNet are hosting an event which will give you the opportunity to discover exciting new technologies being developed within the sector in the South West region.

If you have an interesting new Biomedical Technology that you would like to share and discuss then please email us for more information at biomedical@inets-sw.co.uk

If you simply want to be in awe of the amazing developments within the Biomedical sector and the opportunity to discuss them with a range of companies and our consortium partners, who represent a broad range of expertise across the sector, then visit our website to register.
